

# ARC User Guide: Adding Users

You can add as many additional users to your account as needed.

**Step one:** click the drop-down menu at the top right-hand corner and choose 'Users'.

**Step two:** click the 'Add User' button.

**Step three:** in the field provided, enter the email address of the new user, and assign them a role. Once you've added the email and assigned the role, click on 'Invite User'.
